6 Subs. The words "from time to time" occurring in the preliminary portion of section 5 of the Regulation seem to justify the exclusion of the section to any locality temporarily.

These words seem to refer to the extension of the provisions of Sec 5 to different local areas at different times and not to the duration of such extension.

B.G. 5/1/12 5/1/12 SW(III) 11-1-12

7 A power to issue a notification includes, under the General Clauses Regn, the power to cancel it and we may therefore fairly conclude that it also includes the power to direct that the notification shall have validity for a defined or temporary period only.

13 ~~It does not seem~~ In view of the Correspondence in the file below (G. M. 198-11) it does not seem possible to issue a notification that will have Effect only during the manoeuvres and not at other times, for the Military Evidently can not tell beforehand where the manoeuvres will be held Each year. This year they have given up Bira Sandra owing to Scarcity of water and have chosen a Site near Rajankunti.

SIR,

With reference to Government Proceedings 7/K.
No.J.699-700/Police 212-10-4 dated the 28th August 1911, declining to extend clause (w) of section 56 of the Mysore Police Regulation to the whole of the Bangalore Taluk, I have the honor to point out that 'solicitation' for prostitution is generally practised during the annual military manoeuvres held at the ~~Ber~~ Berasandra camp and complaints are brought to the notice of the military authorities only when a soldier is admitted to the Hospital and the same communicated to the Police without full information, with the result the subsequent investigation as a rule proves a failure of the case. I therefore suggest that if this clause be conveniently extended to Berasandra
